Dear friends and colleagues

- The PASPUGHAN is a Pan Arab Society of Pediatric Gastro enterology Hepatology and Nutrition. Founded by late Prof Ibrahim Fayyad "Professor of Pediatric, Gastroenterologist, Abu Rish University Hospital, Cairo, Egypt.
- The society was accredited by the Arab league, (Arab Doctor Union) 1998
- Started with five country members to reach fourteen members and now working to include all remaining Arab countries.
- The PASPUGHAN is involved with the health and well-being of the Arab child and adolescent, in the field of gastrointestinal diseases including hepatology and nutrition.
- The PASPUGHAN goal is to facilitate communication among Arab specialist and scholars in the field of gastroenterology hepatology and nutrition, trying to come with a unified approach and management of the current medical pediatric issues.
- It is an honor and privilege that **BEIRUT ARAB UNIVERSITY** will sponsor and support our society, for our 18th annual meeting which will be held in Beirut, at the premises of the university.
- We are inviting all pediatric gastro entomologists and general pediatricians, nutritionist, especially our Arab prominent physician in the field gastro enterology hepatology and nutrition to participate actively in this event
- It will be an opportunity to meet and exchange and discuss and update ideas, information and research results in these fields of specialties.
- There will be prominent foreign gastro entomologists and researcher too.
- Beirut is a magnificent city, it is the window of the west to the east and the east to the west, and for sure everybody knows its charm.
- Looking forward to have you among us in October
- Insha'Allah

Sincerely Yours,

Dr. Aziz Koleilat

President of Pan Arab Society Pediatric Gastroenterology, Hepatology & Nutrition
